ANNEXURE.

O.M. No. F. 5 (3)-E. IV/52, dated 27th May 1952, issued from the Government of India, Ministry of Finance, New Delhi.

SUBJECT.—Countersignature of Travelling Allowance Claims of Non-Gazetted Officers by Controlling Officers—Verification of particulars of journey.

A case has come to the notice of the Government of India in which a stenographer attached to an officer claimed travelling allowance in respect of a journey stated to have been performed by him in connection with the tour of the officer to whom he was attached and the bill was passed by the audit officer. According to further information obtained, it transpired that this journey was never performed by the stenographer concerned. A fraud of this kind is possible whenever the controlling authority does not, before countersigning the bill, verify from the officer concerned whether his stenographer had actually preformed the journey. The undersigned is directed to say that to prevent the recurrence of such fraudulent claims, it is essential that all controlling officers, before countersigning travelling allowance bills of non-gazetted officers (particularly of stenographers, personal assistants and Class IV Government servants) should see that the particulars of the journeys are certified by the Gazetted Officer under whose instructions the journeys were performed.
